Create Tank (for new users)

Tank Information

Tank name

Tank shape

Tank type

Note:

- If user chose "Planted" as the tank type, don't check "has_filter" and "filter_type".
- Other fields user needs to fill out include: salinity_type, volume, has_filter, filter_type, has_co2, co2 type, etc.

Stats Page

Logo

HomeStatsResources

Note:

- show stats about tanks, fishes, plants, and inverts.
